

# 500 Milligrams Natural Ingredients

Convenient, PREPACKED Doses  
Five GENDER-SPECIFIC Blends  
Powerful Blend of 27 Natural Ingredients  
Comprehensive NUTRIENT OPTIMIZATION SYSTEM  
Supports Active Lifestyles  
Free-Form AMINO ACIDS  
Botanical Extracts  
ANTIOXIDANTS, VITAMINS, & ESSENTIAL MINERAL  
Fruit and Vegetable PHYTOCOMPLEX

## Ingredient Function

*Psoralea corylifolia*  
(fruit): anti-oxidative  
activity

*Cistanche  
deserticola*  
(bark): anti-  
oxidative activity

*Polygonum multiflorum*  
(root): increase  
testosterone production

*Ginkgo biloba* (leaf): increase  
nitric oxide synthesis activity to  
promote vasodilatation and penile  
smooth muscle relaxation

*Carthamus  
tinctorus* (flower):  
anti-oxidative

*Cordyceps sinensis*  
(mushroom): increase  
testosterone production,  
energy levels, and  
endurance

L-Arginine:  
increase nitric  
oxide  
synthesis  
activity to

*Ganoderma  
lucidum* (root):  
anti-oxidative  
activity

*Panax ginseng*  
(root): increase  
nitric oxide  
synthesis activity to promote  
vasodilatation

*Epimedium sagittatum*  
(leaf): increase testosterone  
production; angiogenic

*Lepidium meyenii* (root): increase  
testosterone production

*Tribulus terrestris* L. (root):  
increase testosterone  
production

*Panax ginseng*  
(root): increase nitric  
oxide synthesis  
activity to promote  
vasodilatation
